

*Note: Those of us who participated in this great family oriented event owe a debt of thanks to derby chairman, Dennis Erhardt of Mandan and derby chairman elect, Blair Ihmels of Bismarck. In addition to the leadership provided by these long-time club members, the club's executive board members and other volunteers put in countless hours to make this such a great success. GOOD JOB and THANKS!!!!*  
*Lee Klapprodt*

**The 14th annual Great Planers Trout and Salmon Derby** was held at Sakakawea State Park on Saturday 8/26/00. There were 68 teams competing for cash and prizes. A total of 131 salmon were brought to the scale for a total weight of 1283.4 pounds and an average fish weight of 9 pounds 8 ozs. The largest fish was caught by the team of Kip Greig and Barry Borstad at 13 pounds and 4 ozs. The junior division for fisher people 15 years of age and younger competed for trophies and prizes for the largest trout or salmon were lead by the following:
